Dam

Summer maintenance work is in full swing & our Lake & Dam are in great shape. Today, the lake is 13.5 inches below full which is normal for this time of year & we are releasing about 1.35 million gallons of water a week consistent with our obligations to downstream water rights holders. Water level in the lake will continue to gradually fall throughout summer, probably about 1 inch a week. Recent rains have certainly helped.

Old Business

-

New Business

- Alix Rowland: Foster horses at the barn when there's less than six horses.
 - The lease document could also be updated.
 - Number of horses specified as an appendix to the lease.
 - *Alix Rowland will provide a modified lease agreement to the Board.*
- Justin Poehnelt: Directory and announcements tool.
 - Move the directory to Google Sheets or Buildium. This directory must reside in a single cloud location, not on an individual's computer. This consistency is necessary across systems: Buildium, water billing, the gate, and email/announcements.
 - I can create the announcements@fallscreekranch.org mailing group and have this autopopulated from Google Sheets to include all residents. Anyone can send messages to the mailing group, with moderator tools to approve or reject messages before they are sent to all residents. Moderation will be bypassed if the sender is a certain resident, e.g. Board member.
 - All of this depends on moving the directory to the cloud, preferably Google Sheets or Buildium. Buildium has a directory, email/sms, opt-in for sharing resident contact information, role-based access, vehicle tracking, and serves as our directory for billing while also tracking resident history by lot.
 - Some discussion about difficulty in accessing information.
 - Justin Poehnelt shared how resident contact information is propagated through the different directories, often starting with an email from a title company with new resident information.
 - *The Board will be moving forward with using Google Sheets to manage resident contact information and the directory.*
- Gate next steps to have a central google sheet with residents and a form for vehicle license plates.
- Logo: *Justin will share the brand kit with the Board.*

Executive Session

-

Announcements

- Email board@fallscreekranch.org if interested in serving on the Falls Creek Ranch Board.
- See <https://fallscreekranch.org/residents/calendar> for future Board Meetings
